1. Rationale

At Mapplewell Primary School we recognise the importance of a positive approach to the behaviour of pupils in school. We also understand that the first and most important educators of pupils are their parents/carer and value their support with regards to their child's readiness to learn.

As a school we feel it is important to promote a safe, secure and stimulating environment to allow all members of the school community to feel secure, respected and therefore promote good behaviour in others. We believe that pupils make the best progress when home and school work together.

This policy is based on the Dfe guidance "Preventing and Tackling Bullying. Advice for head teachers, staff and governing bodies", October 2014:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/444862/Preventing_and_tackling_bullying_advice.pdf

2. Aims of the Policy

- To promote and develop a school ethos where bullying behaviour is regarded as unacceptable
- To ensure a safe and secure environment is sustained for all pupils.
- To support all staff to promote positive relationships to prevent bullying and will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- To ensure that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that pupils feel safe to learn; and that pupils abide by the anti-bullying policy.

3. Definition of Bullying

Bullying is "Behaviour by an individual or a group, usually repeated over time that intentionally hurts another individual either physically or emotionally". (DfE "Preventing and Tackling Bullying", October 2014)

Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours. This includes the same inappropriate and harmful behaviours expressed via digital devices (cyberbullying) such as the sending of inappropriate messages by phone, text, Instant Messenger, through websites and social media sites and apps, and sending offensive or degrading images by mobile phone or via the internet.

4. Forms of Bullying

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion or culture.
- Bullying related to SEND (Special Educational Needs or Disability).

- Bullying related to appearance or physical/mental health conditions.
- Bullying related to sexual orientation (homophobic bullying).
- Bullying of young carers, children in care or otherwise related to home circumstances.
- Sexist, sexual and transphobic bullying.
- Bullying via technology –“cyberbullying”

5. Preventing Bullying

Our school values are regularly promoted in assemblies and displayed throughout school. Through pupils following the school rules and values, and staff reinforcing them bullying should be significantly reduced.

Our behavior policy includes rewards and sanctions which are used consistently, alongside positive relationships, to prevent inappropriate behaviour, and promote positive behaviour.

School Values

We strongly believe in developing a growth mindset in all pupils. We are enthusiastic about embedding a learning culture in our school that promotes:

- happiness
- kindness
- safety
- respect
- honesty
- resilience
- working as a team
- independence

The school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others which will be upheld by all.
- Work with staff and outside agencies to identify all forms of prejudice-driven bullying.
- Actively provide systematic opportunities to develop pupils’ social and emotional skills, including their resilience.
- Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.
- Challenge practice which does not uphold the values of tolerance, non-discrimination and respect towards others.
- Consider all opportunities for addressing bullying in all forms throughout the curriculum and supported with a range of approaches such as through displays, assemblies and through peer support .

- Regularly update and evaluate our approaches to take into account the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.

We will involve pupils by:

- Regularly canvassing pupil's views on the extent and nature of bullying.
- Ensure that all pupils know how to express worries and anxieties about bullying.
- Ensure that all pupils are aware of the range of sanctions which may be applied against those engaging in bullying.
- Involve pupils in anti-bullying campaigns in schools and embedded messages in the wider school curriculum.
- Publicise the details of help lines and websites.
- Offer support to pupils who have been bullied and to those who are bullying in order to address the problems they have.

We will liaise with parents and carers by:

- Making sure that key information (including policies and named points of contact) about bullying is available to parents/carers in a variety of formats.
- Ensure that all parents/carers know who to contact if they are worried about bullying.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively.
- Ensure all parents/carers know where to access independent advice about bullying.
- Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.
- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
