10 December 2021

Dear Parent / Carer

As you will now be aware the Government have introduced further measures to tackle the Omicron variant of COVID 19. To ensure the safety and integrity of all, with Christmas in mind, from Monday 13th phase bubble structures will be put in place and movement across bubbles will be kept as minimal as they can be without having a detrimental impact on education.

We will also ensure regular hand washing and sanitising of work spaces and all communal areas continues frequently throughout the school day to uphold high levels of hygiene.

The school day will continue to operate as normal with a start time of 8.45am and finish at 3.10pm (KS1) and 3.15pm (KS2). Doors will be opened promptly to reduce congestion on the playground. We ask that where possible adults wear face coverings when on the school grounds and maintain a social distance.

We would like to take this opportunity to thank you in advance for your understanding and co-operation in this matter. We wish you all a safe and Merry Christmas.

Kind regards,

Gail Padfield
Headteacher
