It may be May but it's never too early to talk about Christmas!

We are inviting children and young people - they can be relatives, friends, or patients to take part in a very special Christmas project!

This year, we are looking for beautiful, simple artwork designs that could be transformed into festive Christmas lamppost lights to brighten our hospital during the holiday season.

We would love to see creative ideas from children of all ages. Designs should use bright, cheerful colours but keep the artwork simple and clear so it can shine beautifully when displayed as a light.

Please avoid using too many colours or very detailed drawings, as simple designs work best when turned into illuminated displays.

This is a wonderful chance for children and young people to share their creativity and help spread Christmas joy throughout our community.

Let's work together to make this Christmas shine brighter than ever!

Think about:

Stars
Snowflakes
Christmas trees
Reindeer
Presents
Festive hearts
Winter scenes

The deadline has been extended to 30th June, this is an amazing opportunity to support our chosen charity – and an amazing opportunity for the pupils!
